ACHIEVEMENTS

- Participated in ML MANIA-25 National Level Tech Fest – Paper Presentation.
- Completed AI Foundations Workshop by Sri Vensy Technologies Pvt. Ltd.

PROJECTS

Ecommerce Webstore

Developed a fully functional platform with a robust MySQL database to manage online retail operations. Built a responsive HTML5/CSS3 interface featuring seamless navigation, account management, and a persistent shopping cart. Implemented an Admin Dashboard for real-time inventory and category control, demonstrating strong skills in relational database design and front-end development. Ensured secure data handling and user authentication to protect sensitive customer information.

LANGUAGES

English , Telugu, Hindi
